BR30 Series Lamps

BR30

Remarkable combination of high efficacy LED technology and innovative bulb design delivers the light quality you expect from an incandescent and lasts up to 25 times longer.

The Cree LED BR30 flood light delivers 650 lumens of warm 2700K or cool 5000K light while consuming at least 85% less energy than the incandescent floods they replace. These lamps blend seamlessly into the ceiling and provide smooth, highly diffused light, and are perfectly designed for recessed cans or track lighting. The Cree LED BR30 flood lights are Energy Star qualified, dimmable, and designed to last 25,000 hours.

BENEFITS

- Softly diffused warm light
- Energy Star qualified to last 25,000 hours
- Consumes at least 85% less energy
- Instant on and Mercury Free

FEATURES

- 80 CRI
