Description:

Recessed pop-up receptacle with duplex GFCI and oil bronze finish cover.

Features

- Eliminates the potential safety hazard of power cords hanging over the edge of counters to reach side-mounted outlets
- Meets new UL® and NEC® requirements for receptacles mounted in kitchen counters
- Receptacle remains recessed below counter when not in use
- To access outlet, simply press down on cover and the receptacle pops up
- Cover is available in three finishes to match any kitchen decor, nickel, oil-rubbed bronze or brass
- Exclusive internal gasket protects electrical connections from spills
- External gasket provides a seal between the receptacle flange and the counter top
- Locking collar secures assembly to the counter
- 5 ft. metal clad cable whip with 6 in. leads, 12/2 with ground wire included

Application

- Provides a duplex GFCI outlet in a kitchen island or peninsula counter for easy access to power for small appliances
- Ideal countertop power solution for kitchens, baths and other work surfaces
