

## Flush Mount Duplex 75 Ohm Wallplate

| Description   | White     | Ivory     |
|---|-----------|-----------|
| Flush Mount Duplex 75 Ohm Wallplate, carded unit pack | C2456-00W | C2456-00I |

Installation of video cables through outside and inside walls prevents drafts and unsightly holes.

## Cable Wall Bushing

| Description                                | Ivory     |
|--|-----------|
| Cable Wall Bushing, 4 per carded unit pack | C5810-00I |

Nail-in clips to manage RG59 or RG6 coaxial cable.

## Coax Cable Clips

| Description                               | White     | Black     |
|---|-----------|-----------|
| Coax Cable Clips, 10 per carded unit pack | C5811-000 | C5812-000 |

Connects one antenna/cable TV input and one DSS® 2.1 GHz input, to one combined output.

## DSS 75 Ohm and 2.0 GHz Combiner with DC Blocking

| Description   | Part No   |
|---|-----------|
| DSS 75 Ohm and 2.0 GHz Combiner with DC Blocking, gold plated, carded unit pack | 40856-DSS |

Provides 12 dB in-line signal amplification.

## DSS Signal Amplifier

| Description   | Part No   |
|---|-----------|
| DSS Signal Amplifier, gold plated, carded unit pack | 40866-DSS |

Connects one input to two outputs. All ports 2.1 GHz.

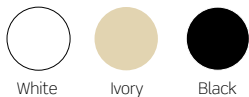

## DSS 2-Way Splitter

| Description                                       | Part No   |
|---|-----------|
| DSS 2-Way Splitter, gold plated, carded unit pack | 40867-DSS |

Connects one input to four outputs. All ports 2.1 GHz.

## DSS 4-Way Splitter

| Description                                       | Part No   |
|---|-----------|
| DSS 4-Way Splitter, gold plated, carded unit pack | 40868-DSS |
