BB63-A

Pin and Sleeve Devices - IEC 60309

Item Description

63 Amp, IEC/EN 60309-1 & 60309-2, International Configuration Back Box, Industrial Grade, IP67, Watertight

Technical Information

Electrical Specifications

Amperage: 63 Amp

Material Specifications

Body Material: PBT Thermoplastic polyester resin

Product Features

Accessory Type: Back Box

Color: Gray

Standards and Certifications

IP Rating: IP67, Watertight

Color: Gray

UPC Code: 07847767968

Country of Origin: Italy - **Eligible for ARRA funded projects > $7,443,000*

**Buy American Compliant Logo -- The American Recovery And Reinvestment Act of 2009 ("ARRA") provides federal grants and loans for projects throughout the country. Section 1605 of the Act, named the "Buy American" provision, requires that certain materials and manufactured products used in projects funded by the Act be manufactured in the United States. The appearance of the Recovery Act Logo in relation to a Leviton product is only intended to reflect that such product may be used in an ARRA funded project. It does not mean that such product or Leviton is sponsored or endorsed by, or that Leviton receives funds from, the federal government or the Recovery Accountability and Transparency Board. Nothing in Leviton's use of the logo is intended to suggest anything regarding the requirements for funding under ARRA.*
