Brand Features

Renu in a snap! Renu is the smart new line of decorative electrical products from Leviton. Install Renu and get a fresh stylish look, plus the ability to change the color of any Renu device when you update a room. The line includes switches, outlets, GFCIs, dimmers, and sleek, screwless wallplates, available in 20 designer colors. An RE00R coordinating dimmer remote is required for 3-way (controlling light(s) from two locations) or multi-location (more than two locations) dimming. You must use one REI06 dimmer with one (or up to nine) RE00R coordinating dimmer remote(s). The coordinating remote is shallow in size, and back and side wired for fast, easy installation. Use only with Renu wallplates.
