

BUTTON, GREEN, FLAT, FOR PUSHBUTTON

### General technical data:

|                                       |    |            |
|---------------------------------------|----|------------|
| Product type designation              |    | Pushbutton |
| Shape of the actuating element        |    | flat       |
| Shape of the enclosure front          |    | round      |
| Color of the lens                     |    | green      |
| Program diameter                      | mm | 16         |
| Outer diameter                        | mm | 23         |
| Product property laser printable      |    | Yes        |
| Product function                      |    |            |
| • suitable for pushbuttons            |    | Yes        |
| • suitable for illuminated pushbutton |    | No         |
| • suitable for signal lamps           |    | No         |
| • suitable for mushroom button        |    | No         |
| • suitable for signal lamp            |    | No         |
| • suitable for selection switch       |    | No         |

### Certificates/ approvals:

| General Product Approval                                                                  | Declaration of Conformity                                                           | Test Certificates                                                                               | other                                                                                                         |
