## Accessories

MD-T(R), MD-HT(R), MD-MT(R), M1 and M2

Accessory Description	Catalog Number	Field/Factory Installed	List Price \$
120V Shunt Trip	add suffix...ST■	Factory	275.00(adder)
Padlocking Device (100-125A)	BX125N	Field	35.00
Padlocking Device (150-200A)	BX050N	Field	17.20
Filler Plate <sup>®</sup>	LX400FP	Field	11.60

- Built to order. Allow 2-3 weeks for delivery.
- ① All circuit breakers on this page are common trip.
- ② Reverse handle, ON toward lugs. See page 2-23.
- ③ Requires 4 panel spaces, 2 adjacent, and 2 opposite.

- ④ For use as load center branch and/or replacement main for old-style load center.
- ⑤ Main breaker kit for Rock Solid load center
- ⑥ Requires 6 spaces due to cross over design.

- ⑦ 4-poles wide for use with 200A modular and Uni-Pak metering
- ⑧ For use with breaker types MD-T(R), MD-HT(R), MD-MT(R)
