## Characteristics

# SGA8031

MAGNET SWITCH - 360 W - 3A - 120 V ac - 1 NO

Product availability : Stock - Normally stocked in distribution facility

### Main

|                               |                       |
|-------------------------------|-----------------------|
| Product or component type     | Coded magnetic system |
| Contacts type and composition | 1 NO                  |
| Material                      | Plastic               |
| Electrical connection         | Pre-cabled            |
| System Voltage                | 120 V AC              |

### Complementary

|                 |                                       |
|-----------------|---------------------------------------|
| Protection type | Overload and short-circuit protection |
|-----------------|---------------------------------------|

### Environment

|                                       |                            |
|---------------------------------------|----------------------------|
| Ambient air temperature for operation | -13...158 °F (-25...70 °C) |
| Ambient air temperature for storage   | -40...185 °F (-40...85 °C) |
