General Purpose Fuse

SEC60

UPC:782634802464

Dimensions:

- **Height:** 1.31 IN
- **Length:** .41 IN
- **Width:** .41 IN

Weight:.35 LB

Warranties:

- Not Applicable

Specifications:

- **Type:** Current-limiting, time delay
- **Application:** 120/208 and 277/480 circuits, light inductive loads including motors, solenoids
- **Amperage Rating:** 60A
- **Voltage Rating:** 480 Vac
- **Interrupt Rating:** 100 kAIC at 480 Vac
- **Fuse Indicator:** Non Indicating
- **Packaging Type:** Standard
- **Response Time:** 12s at 200%
- **Class:** Class G

Supporting documents: No Data

Certifications: No Data

Product compliance:

- Not Applicable
- RoHS Compliant
