

## Fluke MBX 300 Poleset Mounting Kit

### Overview:

Built with all-weather IP65 enclosures, the Fluke 1743 and 1744 Power Quality Loggers are ready to be installed wherever the job demands. With the durable mounting kit, the Fluke **1743 and 1744** can be easily and safely secured to utility poles or suspended from other hardware. The package includes a mounting plate and strap that affix with existing fasteners and attachment points on the loggers.
