

250' Pink Braided Line Reel

The Empire® Level 250-Foot Pink Braided Line Reel is a handy tool for setting up various projects. With plenty of line, you can set up construction and landscaping jobs, such as building fences or planting gardens. This Empire Level 250-foot pink braided line reel uses number 18 nylon line, which is strong enough to withstand tension and stretching. The handle can push into the ground like a stake, which allows you to use it for marking off areas grass for landscaping or gardening projects. The nylon line has a durable braided design to help resist abrasion. Use the convenient notch on top of this Empire Level durable pink braided line reel to hold the line in place. The bright pink color gives the string good visibility, which is useful for marking off areas at the job site.
