25' Power Grip Measuring Tape

The Empire® Level 25' x 1" Blade Grey Power Grip Tape is a general purpose tool that contractors and homeowners should always keep on hand. It features bold, easy to read numbers on brightly colored yellow tape for optimal visibility. The Empire Level durable steel tape measure comes in a black ABS case that can withstand wear and tear over time. It has a rubber boot that is thick and ergonomically molded to easily fit in your hand for comfortable gripping and use. The blade of the Empire Level 25' x 1" power grip tape is rigid and is coated with nylon to protect it from wear and tear. The blade's tip has four rivets for greater reinforcement. A slide lock helps the Empire Level durable steel tape measure stay securely in place when measuring. It comes with a belt clip made of steel for convenient and easy carrying.
