

M28 FUEL 1-1/8" SDS Plus Rotary Hammer Kit with Dust Extractor

0757-22DE

What's Included

- (1) M28 FUEL 1-1/8" SDS Plus Rotary Hammer (0757-20)
- (1) M18™ HAMMERVAC™ Dedicated Dust Extractor (2715-DE)

Powered by FUEL technology, the M28 FUEL 1-1/8" SDS Plus Rotary Hammer delivers corded speed, corded durability, and up to 2x more runtime. The Milwaukee POWERSTATE Brushless Motor Provides 3.5 ft-lbs of impact energy, 0-1,1350 RPM and 0-5,000 BPM.

REDLITHIUM XC Battery Packs provide longer runtime, 20% more power and 2X more recharges than standard Lithium-Ion batteries. REDLINK PLUS Intelligence integrates full-circle communication between tool, battery and charger to protect from overloading, overheating, and over-discharging.

The M28™ Cordless 1-1/8" SDS-Plus Rotary Hammer provides consistent, fade-free power and superior runtime, making it an ideal solution for electrical, mechanical, pipe fitter and plumbing trades. Dual Anti-Vibration reduces vibration and fatigue, while the balanced design and variable-speed trigger ensures smooth, accurate starts and optimum balance and control.

Features

- Powerful 28-volt motor: Delivers 1,350 RPM and 5,000 BPM with 3.5 ft./lbs. of torque for superior performance
- Optimal drilling range in concrete: Drill from 3/16" to 3/4" with a 1" solid bit capacity and 2-1/2" thin wall core bit capacity
- Compact, well-balanced design: Allows you to work comfortably in tight spaces and overhead
- All-metal gear case and block construction: Provides precise bearing and gear setting for long term reliability
- Variable speed trigger and reverse: Allow for accurate drill bit starting and easy bit/fastener removal
- Keyless chuck: Permits fast, tool-free bit changes
- Integral Clutch: Minimizes torque reactions and helps protect gears
- Three Operating Modes: Choose hammer drill, drill or chipping for maximum versatility

Specifications

Length	19"
Weight	13.3 lbs
Height	12.25"
Width	3.9"
