Toggle Switch Covers

Suitable for wet locations

- · Solid aluminum plate, .040" thick, with powder finish.
- · Heavy duty die-cast handles.
- · Durable, heavy duty universal gasket.
- · Stainless steel screws.
- · UL Listed and CSA Approved.
- · Plates supplied with single pole switches are embossed ON/OFF.
- Plates supplied with 3-way kits or without switches are blank.
- · For replacement switches, please see page B30.
- · All toggle switch covers are made and assembled in the U.S.A. Switches are made offshore.
- 6-10-gang covers available as custom items. Please consult the factory.
