Part# 42600
Kit includes 1 each for 1/2" & 3/4" Flex

LASERLINE[®]

WEST INDUSTRIES INC.

This CO2 powered gun shoots a foam dart with a line attached to it up to 200 ft. Stop climbing your ladder and moving it every ten feet to pull your wire across a T-Bar ceiling. Pull your wire the entire distance in one shot with the Laserline! Tired of wiggling through a crawl space just to drag your wire to the other end? Fire the Laserline, attach your wire, then walk around and pull it across while standing. It's that easy!

You don't even have to recoil the line. Each spool has 1200 ft of line, so you just cut it after each shot and re-attach the dart. Then just load in a new spool when you need it. CO2 cartridges are also replaceable and inexpensive!

Get the job done faster and have some fun – get the Laserline!

Laserline Kit - Part# 83000
Replacement Line 2 (1200ft) - Part# 83001
Dart 3 Pack - Part# 83003
