

Steel City[®]

Flush Service

T&B Catalog Number:

68R-CST-BRS

UPC Number:

78599104444

Status:

Active

Description:

2-compartment black non-metallic recessed floor box cover with brass flange. Accepts duplex or GFCI receptacle and 2-port keystone data plate.

Features

Unique cover provides aesthetic recessed service. Patented lid can be rotated to expose a small opening for cords, enabling the lid to close flush with the floor while in use.

Cover accepts 1-duplex or GFCI receptacle, no special device plates required.

Cover accepts up to two communications jacks. Includes (1)-2-port keystone data plate and 1-blank data plate for customer cut-outs or power only applications.

Application

For use with 68 P round floor box

Recessed service for concrete, wood sub-floor and raised floor applications
