## 2166US -- SS Connect 4" INS RGD EMT STL-US Made

### Product Specifications

|                            |                                       |
|----------------------------|---------------------------------------|
| Family                     | Rigid and IMC Fittings & EMT Fittings |
| Fittings Classification    | Steel - Set Screw Connectors          |
| Sub Class                  | Insulated                             |
| Trade Size                 | 4"                                    |
| Standard Packaging         | Carton                                |
| Ship Carton Length         | 5.75                                  |
| Ship Carton Width          | 5.75                                  |
| Ship Carton Height         | 4.5                                   |
| WT. PER HU.                | 283.0                                 |
| Ship Carton Quantity       | 1                                     |
| UPC Number                 | 050169570296                          |
| Product UPC-A Labeled      | No                                    |
| Inner Leaf 2 of 5 Bar Code | 50050169570291                        |

### Applications

- For use in dry locations to bond EMT conduit to a box or enclosure
- RACO® steel set screw connectors provide concrete-tight connections when taped
- RACO® set screw connectors are suitable for applications above 600V
- MADE IN THE USA

### Product Features

- All steel construction insures mechanical protection for the raceway
- Tri-head screws (1/2" to 2" trade sizes) may be installed using

a slotted, Philips, or Robertson head screwdriver

- 2-1/2" to 4" trade sizes are also UL listed for use on Rigid/IMC conduit, allowing for design and installation flexibility
- All components are zinc electroplated for corrosion protection
- UPC bar coded fittings are individually polybagged with a preprinted UPC-A bar code and packaged in pre-scored tear top cartons for an attractive presentation
- MADE IN THE USA

#### Compliances

C / UL / US
