## 2870 -- EMT Compression Coupling 2-1/2" Trade Size - Zinc

## Product Specifications

|                         |                                  |
|-------------------------|----------------------------------|
| Family                  | EMT Fittings                     |
| Fittings Classification | Die Cast - Compression Couplings |
| Trade Size              | 2-1/2"                           |
| Standard Packaging      | Carton                           |
| Ship Carton Length      | 14.125                           |
| Ship Carton Width       | 10.00                            |
| Ship Carton Height      | 4.00                             |
| WT. PER HU.             | 132.5                            |
| Dimension A             | 3-9/16"                          |
| Dimension B             | 3-17/32"                         |
| Dimension C             | 2-7/8"                           |
| Dimension D             | 1-45/64"                         |
| Unit Carton Quantity    | 12                               |
| Ship Carton Quantity    | 12                               |
| UPC Number              | 050169028704                     |

## Applications

- For use to economically couple two ends of EMT conduit
- RACO® compression couplings are suitable for applications above 600V
- RACO® 1/2" to 4" couplings provide concrete-tight connections

## Product Features

- Rugged metallic construction provides mechanical protection for the raceway
- Hex compression nuts assure easy wrench installation

## Compliances

UL 514-B listed, File E195970 CSA
