## 3512DC -- Straight Liquidtight Connector 1/2" Trade Size - Die Cast Zinc -Insulated

## Product Specifications

|                                |                                         |
|--------------------------------|-----------------------------------------|
| <b>Family</b>                  | Liquidtight Conduit and Cord Connectors |
| <b>Fittings Classification</b> | Die Cast Zinc - Straight Connectors     |
| <b>Sub Class</b>               | Insulated                               |
| <b>Trade Size</b>              | 1/2"                                    |
| <b>Standard Packaging</b>      | Carton                                  |
| <b>Ship Carton Length</b>      | 17.3                                    |
| <b>Ship Carton Width</b>       | 6.3                                     |
| <b>Ship Carton Height</b>      | 8.5                                     |
| <b>WT. PER HU.</b>             | 12.9                                    |
| <b>Unit Carton Quantity</b>    | 50                                      |
| <b>Ship Carton Quantity</b>    | 200                                     |
| <b>UPC Number</b>              | 050169980194                            |

## Applications

- For use in outdoor or indoor locations on flexible metallic liquidtight conduit and Type B flexible nonmetallic liquidtight conduit
- Use to positively bond the conduit to a box or enclosure
- RACO®

## Product Features

- Gland-ring is designed to slip onto the conduit quickly and to grip the jacket of the conduit, speeding installation, assuring a perfect seal, and preventing pullouts
- All components are reusable -- RACO® liquidtight connectors may be easily disassembled and reused after years of service
- Sealing washer (included) provides a liquidtight seal when terminating the connector in a threadless opening
- Locknut included with every RACO® liquidtight connector assures continuity of ground
- Zinc Die Cast
