## 3518DC -- Straight Liquidtight Connector 2" Trade Size - Die Cast Zinc -Insulated

## Product Specifications

|                         |                                         |
|-------------------------|-----------------------------------------|
| Family                  | Liquidtight Conduit and Cord Connectors |
| Fittings Classification | Die Cast Zinc - Straight Connectors     |
| Sub Class               | Insulated                               |
| Trade Size              | 2'                                      |
| Standard Packaging      | Carton                                  |
| Ship Carton Length      | 6.1                                     |
| Ship Carton Width       | 6.1                                     |
| Ship Carton Height      | 4.1                                     |
| WT. PER HU.             | 75.0                                    |
| Ship Carton Quantity    | 5                                       |
| UPC Number              | 050169980248                            |

## Applications

- For use in outdoor or indoor locations on flexible metallic liquidtight conduit and Type B flexible nonmetallic liquidtight conduit
- Use to positively bond the conduit to a box or enclosure
- RACO®

## Product Features

- Gland-ring is designed to slip onto the conduit quickly and to grip the jacket of the conduit, speeding installation, assuring a

perfect seal, and preventing pullouts

- All components are reusable -- RACO® liquidtight connectors may be easily disassembled and reused after years of service
- Sealing washer (included) provides a liquidtight seal when terminating the connector in a threadless opening
- Locknut included with every RACO® liquidtight connector assures continuity of ground
- Zinc Die Cast

**Compliances**
