Applications

- Switch boxes are used to house wiring devices such as switches or receptacles

Product Features

- Gangable switch box offers the option of constructing a box to hold two or more devices
- Adjustable plaster ears allow box to be used in "old work" applications
- Provided old work clips on side of box eliminates the need for additional box supports to secure box in wall opening
- Beveled corner boxes are designed to prevent the clamp screws from protruding into back wall

Compliances

UL 514-A listed, File E195978
