### Features

Durable, impact-resistant case for the most rugged job site conditions.  
Impact-resistant ABS case won't rust or dent.  
Blued steel 50 ft length.  
Blued steel is an exclusive IDEAL innovation. Constructed of highest grade tempered steel and put through our proprietary finishing process, it offers a smooth finish for superior performance and rust resistance.  
Use blued steel for easier feeding into conduit, easier winding in and winding out.  
Laser etched in 12 inch increments to provide instant conduit length (Tuff-Grip™ Pro models only)  
Unique finish is non-oily and resists rust  
Industry's straightest wire  
Stiffer for long runs  
Highest grade carbon steel  
Tensile strength 1,600 lbs.  
Multiple options in width, length and eyelet for ease of use
